we offer thousands of dollars' worth of Merchandise direct from the factory to the consumer—AND IN MANY INSTANCES AT LESS THAN FACTORY PRICES.

Every year about this season is "housecleaning" time for the manufacturers. They collect all their surplus merchandise—short lengths and full pieces—and offer them at prices which must move them quickly. These Manufacturers' Clearance Sales make it possible for us to hold our ANNUAL SALE OF MANUFACTURERS' STOCKS. No need for us to say much about this great Sale or the values which it presents. Every person in New London and Windham Counties who has attended these Sales in the past knows that the merchandise offered is absolutely reliable and the prices ridiculously small.

In this advertisement we can only enumerate a few of the many bargain opportunities. Every aisle and every floor in the store has something of interest to offer.
